

What is Global School of Supernatural Ministry?

Global School of Supernatural Ministry (Global School) is a department of the Apostolic Network of Global Awakening. Global School offers a non-credited one to three year program built on the foundation of the revelation of the word of God which equips students with an understanding of God's kingdom, identity as a child of God, understanding of their gifts and calling, and their place in the Church. The focus of subjects taught at Global School include healing, missions, pastoral leadership, hearing the voice of God, Identity, worship and moving in the prophetic. Our Global School staff and teaching faculty are committed to preparing this generation to change lives and transform cities and nations by advancing the Kingdom of God.

What Can a Global School Awakening Team Offer Your Ministry?

Considering that many people in churches cannot travel great distances to attend conferences and schools for training, the Global School Awakening Team provides an opportunity for local churches of any size to experience training right in their own environment, which is usually where they will be ministering after training.

The Awakening Team is equipped to lead workshops on the following:

- Five step prayer model for healing
- Deliverance training
- How to receive and operate in words of knowledge
- Prophetic protocol
- How to hear God's voice
- Basics of emotional healing
- Outreach Training

The Awakening team is also equipped to minister through preaching, prayer and outreach.

Who Makes Up an Awakening Team?

An Awakening team consists of students (expect approximately 4 - 7) of all ages who are about to complete their second year of training. The students have been trained by Global School faculty.

What Will You Need to Do to Host an Awakening Team?

Your church would be required to provide housing and meals for all team members for the days that they are with you. A special offering will be received in every service that the team ministers in, excluding workshops. Global School will cover all traveling expenses to and from your church.

When can Awakening Teams come to your church or ministry?

The Global School Awakening Teams are sent out during the ten weeks from the end of February through the beginning of May.

What is the Training Schedule and Format?

Global School believes it is essential for your people to soak in this specialized training over a period of a few days. The school has developed a few possible formats to meet your scheduling needs. These include two weekend options (Friday-Sunday) and one weekday option (Sunday-Wednesday). Specific scheduling details will be sent in response to your application. If none of the proposed formats fit your schedule, Global School will work with you to tailor a format that meets your needs.
